This action approves an ordinance establishing classifications and positions in the classified service of the Police Department, eliminating and creating certain positions, and repealing Ordinance No 20060911-006 relating to police department classifications and positions

The classification ordinance is being amended to reflect the reclassification of two vacant Assistant Chief Positions to Sergeant positions. During the 2006-2007 budget process Council approved an additional Assistant Chief position and one other Assistant Chief position became vacant due to a recent retirement. The two additional Sergeant positions will be used to strengthen sworn staffing in other areas of the department, including the Downtown Area Command. This action does not increase the overall authorized strength of the Department. APD may request additional funding to increase the number of Assistant Chief positions when the selection process for the Chief of Police is completed in April 2007 and the new Chief of Police has an opportunity to determine the appropriate size of his or her management team.

The following civil service classifications of the Police Department and the number of positions in each classification are established as follows:

Assistant Chief 3 Commander 18 Police Lieutenant 58 Police Sergeant 151 Police Detective 288 Police Corporal 72 Police Officer 852
